## Report of Principal and School Improvement Council

The 2013-2014 school year was an exciting year for the Mossy Oaks Elementary School family. We are not where we want to be academically, but we did see a high percentage of our students show growth. On the 2013 ESEA Federal Accountability

System Report, we were pleased to receive an "A" rating. We continue to seek and implement ways to achieve academic success for all students. Through District grant funds we were able to provide reading tutors to serve identified students in grades k-5. Through our Title I budget we were able to provide a math interventionist to work with identified students in grades k-4.

In addition to promoting academic success our students had opportunities to participate in a variety of other activities such as our Encouragers' Club, Strings program, and art club to name a few. Our partnership with "Kid's Hope USA" moved into its third year with students continuing to meet weekly with their mentors. Our PBIS program, with a goal of all our students becoming caring, responsible, and trustworthy citizens continued in the 2013-2014 school year. With our emphasis on character development, we are moving forward in our quest to build a responsible citizen who will go out each day and make the right choices.

Mossy Oaks Elementary continues to benefit from a strong base of parental and community support. The success of Mossy Oaks Elementary can be attributed to the participation, involvement, and collaborative efforts of dedicated students, parents, and staff that see the value and need for a quality education. Our PTO sponsored many school and family activities throughout the year including Candy Cane Lane, Atlantic Coast Theater for Youth, Teacher Appreciation Week activities, and our Chili Cook-off. Through the efforts of our PTO and School Improvement Council we continue to provide opportunities for all to become involved in providing a school environment that will help all of our students to be successful.

During the 2013-2014 school year we continued in our mission to promote academic growth and character development. Our faculty and staff worked tirelessly to see that each and every student received a rigorous and fulfilling education, working together to provide a safe environment where every member is in the right place, at the right time, doing the right thing. We worked each day to prepare our students for their unique roles in the world. Our students and staff know that each day they can make it a great day or not, the choice is theirs.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>90.8</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Mossy Oaks Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
